## **Article 13: Playing Regulations**

### ***League Play***

Each week every team will play 2 matches - one match, consisting of 3 sets, against two different teams. To begin the season, there will be a 5-week round robin. After the five nights of play, teams will be placed in division one or two as determined by their match results. Approximately every 8 weeks the top two and bottom two teams from each division will exchange places.

### ***Schedule***

Copies of the schedule will be available on the website. There will also be a schedule in the binder on each court.

### ***Time***

Games at Tansley Woods shall start promptly at 8:00 p.m. (see below) and 9:25 p.m. (please be at the gym and prepared to start the late games as soon as the first games are finished). Those teams scheduled to play the second set of games must be ready to start as per the scheduled time. Games at M.M. Robinson will begin promptly at 8:00 p.m.

### ***Defaults***

Game start time has been set at 8:10 p.m. in both facilities. Teams must have 4 players on the court ready to play by 8:10 or when the nets are up, whichever is later. If a team is not on the court ready to play, they must wait for their 4<sup>th</sup> player to avoid default. Once the 4<sup>th</sup> player arrives the games will begin. Scores will be awarded for games that are finished to 25 or 15. Any other games unfinished will count as default. If a team does not have 4 players by 8:30 the entire match will be recorded as a default and the team will be charged a fee. All default situations are at the discretion of the referee.

### ***Order of Play***

The order in which the matches appear on the schedule is the order in which they must be played.

### ***Nets***

The staff at Tansley Woods provides net set up and tear down.  
All teams are responsible to set up and tear down the nets at MMR.

### ***Cancellations***

Cancellations by the President or Secretary (due to inclement weather or accidents) will be communicated to the Team Reps. An initial email will be sent out by 12pm to indicate the possibility of a cancellation. A final decision and email to team reps will be sent by 5:00 p.m. on the day of play. The Referee Rep must also be informed.

If we receive a last minute (one month or less) cancellation at M.M. Robinson from the City, Tansley Woods Recreation Centre will remain open to ALL teams to practice, scrimmage, etc. The scheduled games will not count for that night.

### ***Number of Players***

A team will be allowed to play with a minimum of 4 players. There is a league waiting list in case players are needed. Rostered players from another team may be asked to play for a team that is short players and in a default situation. The team may pick up as many players as they need to get to 4 players. To avoid default, a team may not pick up players from other teams who are playing games at the same time, regardless of how many spare players there may be.

### ***Matches/Games and Scoring***

Each game will consist of two rally point games played to 25, cap 27 and one rally point game to 15, cap 17. All games will start at 4 points. Game times must start as closely to the scheduled time as possible to get games in. Refs should indicate a 2-minute warning before the end of the game/match. The Referee will record the score after each game. Captains will be asked to sign the score sheet and enter their team roster at the end of each game. The winning captain (or team member) will be asked to take a picture of the score/roster and send to **Terri at 905-320-9317 or tvanloon@cogeco.ca** to ensure that accurate standings are updated each week.

### ***Points***

There will be two points for a win, zero points for a loss and 1 point for a tie or a game not started. There must be a spread of three in the third game to determine a winner, i.e. the higher scoreless the lower score must equal three or greater for a team to win (e.g. 10-7; 10 wins, 3-1; game is split). If the game is completed, i.e. one team has 15 points it is a win even if it's 15-13.

### ***Captains***

The Captain is the only person who may approach the referee during a game.

### ***Coin Toss***

A coin toss will only be performed for the first set of each match. During all subsequent games the teams will alternate service.

### ***Rotation/Substitution***

Teams may choose to either rotate or substitute players. Whichever system is chosen must be continued for the duration of the game. Once a substitution is made those players can only substitute for each other. The Libero rule is optional - teams may designate a back row defensive player for the whole game who may rotate in and out for any player in the back row.

### ***Time-Outs***

Each team will be allowed one 30-second time-out per game. After the two-minute warning no time-outs will be allowed.

### **League Standings**

League standings will be posted on our website. In the event of a tie, 1st place will be determined by a) number of wins and b) total points for/against c) head to head between the two teams.

### **Discretionary Calls**

  - At M.M. Robinson: all basketball nets are re-serves if the ball contacts a basketball net on serve or during play.
  - If any calls are unclear, the **two playing Captains** will decide the appropriate course of action based on the general intent of obstruction calls relative to the game of volleyball.

### **Player Conduct**

If a referee has any problems or concerns with any aspect of the league including teams and/or individual players, please bring this to the attention of the Referee/Equipment Reps who will then take it to the President and Treasurer.

Penalties for arguing with the referee or displaying unsportsmanlike conduct shall be: warned the first time. If the conduct continues, a 3-game consecutive suspension will be handed out (the game in which the suspension is given out will be considered the first of three games). The second time such an infraction occurs. The player will receive a 6-game suspension. The refs in conjunction with the Executive will address the situation.

### **Jewellery**

### **End of Year Playoffs**

Playoffs will occur during the last three weeks of the season, on Tuesday nights. It will be a round robin format with semi-finals and finals to decide division champions. There will be prizes (cash) for 1<sup>st</sup> and 2<sup>nd</sup> place in each division. In the event of a tie after the round robin, the criteria to determine 1<sup>st</sup> place will be:

1. Total Wins
2. Total Points (plus/minus)
3. Head to head

All players are playoff-eligible provided that they played **at least three nights of play for the same team within the season**. Team Captains are responsible for ensuring their players' playoff eligibility. If a Captain is unsure about player eligibility, they are to contact the League President for guidance on next steps. If a team defaults during the playoffs they will automatically be eliminated from playoffs and will not be eligible to win a division or any prize money.

### **Prizes**

Prizes will only be awarded for the final league winners in each division.

## **UNLESS SPECIFIED IN ARTICLE 13 ABOVE, CURRENT O.V.A. RULES APPLY.**

### **Article 14: H.W.V.L. Payer Code of Conduct – 2018/2019**

1. Players who participate in the H.W.V.L. are expected to conduct themselves in a professional, courteous and sports person like manner within their team, while in competition with other teams and to all referees and volunteer executive members.
2. Ownership and responsibility for each individual team falls under the leadership of the team representative (rep).
3. Team reps are elected by each individual team without any involvement by the league executive. The only exception to this rule is when space for a new team arises and it is necessary for the executive to appoint someone to take responsibility for organizing the team until a future team rep may be determined.
4. In the event of a discrepancy within a team the ownership for resolving the discrepancy lies within the jurisdiction of the team rep and each individual team member.
5. If for some reason this combination of leadership is ineffective at resolving the discrepancy, the team may then approach the league executive to act as a mediator to resolve the situation.
6. The league executive will then assist the team in the best possible manner to determine a resolution to the problem.
7. In addition, players who act in an un-sports person like manner as deemed by the referees will be given a verbal warning and then will be carded. If the player does not take corrective action immediately for their conduct the refs will be obligated to report them to the league executive. If this should occur the league executive will then deal with the player and their conduct.
